Language: English

File size : 187621 KB

The book is divided into six chapters, each focusing on a different region of the world. The first chapter, "Europe," features images of cities, towns, and landscapes from across the continent. The second chapter, "Asia," includes photographs of India, China, Japan, and other countries in the region. The third chapter, "Africa," showcases images of the continent's diverse cultures and landscapes. The fourth chapter, "North America," features photographs of the United States, Canada, and Mexico. The fifth chapter, "South America," includes images of Argentina, Brazil, Peru, and other countries in the region. The sixth and final chapter, "Oceania," features photographs of Australia, New Zealand, and other islands in the Pacific Ocean.

An Early Album Of The World is a valuable resource for anyone interested in history, photography, or travel. The images are accompanied by informative captions that provide context and background information. The book is also a beautiful object in its own right, with a high-quality reproduction of each photograph.

Reviews
