

Day By Day Account Of The Greatest Evacuation

The Miracle of Dunkirk

The Dunkirk evacuation was one of the most daring and successful military operations in history. In the face of overwhelming odds, the British Expeditionary Force (BEF) was evacuated from the beaches of Dunkirk, France, in May and June of 1940. The evacuation was a major turning point in the Second World War, and it helped to save the BEF from annihilation.

This book provides a day-by-day account of the Dunkirk evacuation. It is based on extensive research, including interviews with veterans of the evacuation and archival research. The book tells the story of the evacuation from the perspective of the soldiers, sailors, and airmen who

took part in it. It is a gripping and moving story of courage, resilience, and the indomitable spirit of the human race.

A Day-by-Day Account

The book begins with the German invasion of France in May 1940. The BEF was quickly forced to retreat to the coast, and by the end of May, it was trapped on the beaches of Dunkirk. The British government launched Operation Dynamo, a massive evacuation operation, to save the BEF from annihilation.

The evacuation was a daunting task. The Germans were closing in on Dunkirk, and the beaches were under constant bombardment. However, the British were determined to save their troops, and they threw everything they had into the effort. The Royal Navy, the Royal Air Force, and the civilian population all played a role in the evacuation.

The evacuation was a success. By the end of June, over 338,000 British and French troops had been evacuated from Dunkirk. The evacuation was a major turning point in the war, and it helped to save the BEF from annihilation.

The Human Story

The Dunkirk evacuation was not just a military operation; it was also a human story. The book tells the stories of the soldiers, sailors, and airmen who took part in the evacuation. It is a story of courage, resilience, and the indomitable spirit of the human race.

The book is full of vivid descriptions of the evacuation. We see the soldiers huddled on the beaches, waiting for their turn to be evacuated. We see the

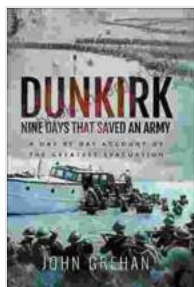

sailors and airmen risking their lives to save the troops. We see the civilian population helping out in any way they can.

The Dunkirk evacuation is a story that will stay with you long after you finish reading the book. It is a story of courage, resilience, and the indomitable spirit of the human race.
