

Populist Challenges to Constitutional Interpretation: In Europe and Beyond

In recent years, populism has emerged as a major force in politics around the world. Populist movements and leaders have challenged traditional understandings of democracy, the rule of law, and constitutionalism. This book examines the impact of populism on constitutional interpretation in Europe and beyond. It explores how populist movements and leaders are challenging traditional understandings of constitutionalism and the rule of law, and how these challenges are reshaping constitutional landscapes around the world.

Populist Challenges to Constitutional Interpretation in Europe and Beyond (Comparative Constitutional Change)

The book is divided into three parts.

Part I provides an overview of the concept of populism and its implications for constitutional interpretation. It examines the different ways in which

populism can be defined and understood, and how these different understandings shape the way in which populist movements and leaders approach constitutional interpretation.

Part II examines the impact of populism on constitutional interpretation in a number of specific countries. These case studies explore how populist movements and leaders have challenged traditional understandings of constitutionalism and the rule of law in countries such as the United States, the United Kingdom, Hungary, Poland, and India.

Part III considers the implications of populism for constitutional interpretation in the future. It examines the ways in which populism is likely to continue to challenge traditional understandings of constitutionalism and the rule of law, and how these challenges can be addressed.

This book is a timely and important contribution to the study of populism and constitutional interpretation. It provides a comprehensive overview of the topic, and it offers a number of insights into the ways in which populism is shaping the future of constitutionalism around the world.

****Key Features****
