The book is divided into four parts:

1. **The Foundations of Teaching and Learning:** This part introduces the key concepts and principles of teaching and learning. It discusses the different learning theories and how they can be applied in the classroom.
2. **Creating a Supportive Learning Environment:** This part focuses on how to create a classroom environment that is conducive to learning. It discusses the importance of building relationships with students,

creating a positive classroom climate, and providing opportunities for students to learn from each other.

3. **Effective Teaching Practices:** This part provides specific advice on how to teach effectively. It discusses different teaching methods, how to use technology in the classroom, and how to assess student learning.
4. **The Future of Teaching and Learning:** This part looks at the future of teaching and learning in higher education. It discusses the challenges and opportunities that lie ahead, and how we can prepare for the future of education.

Teaching Manifesto is an essential resource for all educators who want to improve their teaching practice. It is a comprehensive guide that offers practical advice and insights on how to create a supportive and engaging learning environment for all students.
