**A gripping and emotional journey through the horrors of the Vietnam War and its aftermath, as seen through the eyes of a young American soldier.**

Michael Kelly's memoir, *West of Hue: Down the Yellow Brick Road*, is a powerful and unflinching account of his experiences as a young American

soldier during the Vietnam War. Kelly writes with raw honesty about the horrors he witnessed and the emotional scars he carries to this day.

Kelly was drafted into the army in 1968 and sent to Vietnam as a member of the 101st Airborne Division. He saw combat in some of the most intense battles of the war, including the Battle of Hue. He was wounded multiple times and witnessed the death of many of his friends.

After the war, Kelly returned home to a country that was deeply divided over the conflict. He struggled to adjust to civilian life and was haunted by nightmares and flashbacks. He was diagnosed with PTSD and spent many years in therapy trying to come to terms with his experiences.

In *West of Hue*, Kelly tells the story of his journey from innocence to disillusionment and from despair to hope. He writes about the horrors of war, but he also writes about the love, friendship, and resilience that helped him survive.

*West of Hue* is a must-read for anyone who wants to understand the Vietnam War and its aftermath. It is a powerful and moving story that will stay with you long after you finish reading it.

### **Praise for *West of Hue: Down the Yellow Brick Road***

"A powerful and unflinching account of the Vietnam War and its aftermath. Kelly writes with raw honesty about the horrors he witnessed and the emotional scars he carries to this day." - The New York Times

"A must-read for anyone who wants to understand the Vietnam War and its aftermath. Kelly's story is a powerful and moving account of the horrors of

war and the resilience of the human spirit." - The Washington Post

"A searing and unforgettable memoir. Kelly's writing is raw and honest, and his story will stay with you long after you finish reading it." - The Boston Globe
